

# Camp Policy for Self Administration of Emergency Medications by Campers

Campers are permitted to have readily available (carry or possess outside of the regular supervision of the camp's health staff) and to self-administer emergency medications only where the following conditions are met.

- A. Any camper who self-administers emergency medication must have the prior written approval of the camper's primary health care provider and the camper's parent or guardian;
- B. The camper's parent or guardian must submit written verification to the camp from the camper's primary health care provider confirming that the camper has the knowledge and the skills to safely self-administer the emergency medication in camp;

AND

- C. The camp health staff must evaluate the camper's technique to ensure proper and effective use of the emergency medication in camp.
